## **Discussion Questions**

1. Last week we heard about the tree thrown into the bitter waters, manna, water from the rock, and victory over the Amalekites. What is one way that you saw Jesus in these stories?
2. *"The Bible was not given to man so that he could fix his story. The Bible is His story and how you can find your place in it...You don't find 10 steps to a better life in the Bible. You get to read about a God who through His Son took 10,000 steps to get to you."* - Pastor Karl Thomas.

Now that we have been reading the OT for a while, how are these above quotes helping you to see Jesus in the readings?

3. Read Hebrews 9:8. What does this tell us about the tabernacle and all of its furnishings?
4. Why did God instruct them to build a tabernacle? How do you see Jesus in the furnishings of the tabernacle?
5. How do you see Jesus in the description of the Ark of the Covenant, its construction, location and contents?
6. In Heb. 9:5 the mercy seat is the place of atonement and in Romans 3:21-26 its the propitiation. How do you see Jesus in the description and function of the mercy seat?
7. What was the difference between the tabernacle constructed in the wilderness and the tabernacle of David?
8. What was the first thing Solomon did when he received wisdom from God? Why is this significant?
